REPUBLIC OF SOUTH AFRICA

THE ONDERSTEPOORT JOURNAL OF VETERINARY RESEARCH

Volume 59 | 1992 | Numbers 1–4

AUTHOR INDEX

	Volume	Page
Anthonissen, M.		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I.G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Bastianello, Stella S.		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118
Bengis, R. G.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen, J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Bennett, G. F.		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLÉ, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	229–234
The Leucocytozoidae of South African birds: Passeriformes. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	235–247
Bezuidenhout, A. J.		
Deep dissections of the veins of the bovine head: unpublished work by Prof. J. M. W. le Roux (1926–1991). MALIE M. S. SMUTS and A. J. BEZUIDENHOUT	59	211–218
Bishop, D. H. L.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Boomker, J.		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314
Booth, K. K.		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
A comparative study of the thickness of the tunica muscularis in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	225–227
Botha, C. J.		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Braack, L. E. O.		
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Buga, R.		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Collins, D. M.		
Characterization of ovine strains of *Mycobacterium paratuberculosis* restriction endonuclease analysis and DNA hybridization. G. W. DE LISLE, D. M. COLLINS and H. F. A. K. HUCHZERMEYER	59	163–165
De Lisle, G. W.		
Characterization of ovine strains of *Mycobacterium paratuberculosis* restriction endonuclease analysis and DNA hybridization. G. W. DE LISLE, D. M. COLLINS and H. F. A. K. HUCHZERMEYER	59	163–165

	Volume	Page
De Vos, V.		
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
De Waal, D. T.		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Du Plessis, D. H.		
Serological differentiation of five bluetongue virus serotypes in indirect ELISA. D. H. DU PLESSIS	59	119–122
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Du Plessis, J. L.		
Adult *Amblyomma hebraeum* burdens and heartwater endemic stability in cattle. J. L. DU PLESSIS, P. J. LOOCK and C. J. F. LÜDEMANN	59	75–89
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Du Toit, Hester		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLÉ, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
Earlé, R. A.		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLÉ, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
Description of *Aegyptianella bolutiformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	229–234
The Leucocytozoidae of South African birds: Passeriformes. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	235–247
Egberink, H. F.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Erasmus, G. L.		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118
Esterhuysen, J. J.		
No serological evidence for the presence of swine vesicular disease virus in South Africa. J. J. ESTERHUYSEN, G. R. THOMSON and M. D. GAINARU	59	223–224
Fivaz, B. H.		
A survey of small stock tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	197–201
A survey of cattle tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	203–210
Fourie, L. J.		
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
Fourie, N.		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Gainaru, M. D.		
No serological evidence for the presence of swine vesicular disease virus in South Africa. J. J. ESTERHUYSEN, G. R. THOMSON and M. D. GAINARU	59	223–224
Gray, C.		
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Groenewald, H. B.		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Scanning electron microscopy of the mucosal surface of the forestomachs and abomasa of grey, white and black Karakul lambs. H. B. GROENEWALD	59	167–174
A comparative study of the thickness of the tunica muscularis in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	225–227
Gummow, B.		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118

	Volume	Page
Guthrie, A. J.		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Hansen, R.		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Hon, L. J.		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Horak, I. G.		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314
Horzinek, H. F.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Huchzermeyer, F. W.		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLÉ, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
Huchzermeyer, H. F. A. K.		
Characterization of ovine strains of *Mycobacterium paratuberculosis* restriction endonuclease analysis and DNA hybridization. G. W. DE LISLE, D. M. COLLINS and H. F. A. K. HUCHZERMEYER	59	163–165
Jordaan, Leonora C.		
An orf-like condition caused by trombiculid mites on sheep in South Africa. Q. T. OTTO and LEONORA C. JORDAAN	59	335–336
Jordaan, P.		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Kakoma, I.		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Keet, D. F.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Kitching, J. P.		
Experimentally-induced *Cestrum laevigatum* (Schlechtd.) poisoning in sheep. J. J. VAN DER LUGT, P. W. NEL and J. P. KITCHING	59	135–144
Kotzé, Sanet H.		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
A light microscopical study of the intestinal tract of the Nile crocodile (*Crocodylus niloticus*, Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Krecek, R. C.		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257

	Volume	Page
Labuschagne, Leonie		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Loock, P. J.		
Adult *Amblyomma hebraeum* burdens and heartwater endemic stability in cattle. J. L. DU PLESSIS, P. J. LOOCK and C. J. F. LÜDEMANN	59	75–89
Lopez Rebollar, Laura M.		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Lüdemann, C. J. F.		
Adult *Amblyomma hebraeum* burdens and heartwater endemic stability in cattle. J. L. DU PLESSIS, P. J. LOOCK and C. J. F. LÜDEMANN	59	75–89
Meintjes, R. A.		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96
Meiswinkel, R.		
Afrotropical *Culicoides*: *C. (Avaritia) loxodontis* sp. nov., a new member of the Imicola group (Diptera: Ceratopogonidae) associated with the African elephant in the Kruger National Park, South Africa. R. MEISWINKEL	59	145–160
Subsampling of large light trap catches of *Culicoides* (Diptera: Ceratopogonidae). H. VAN ARK and R. MEISWINKEL	59	183–189
Morikawa, S.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Naudé, T. W		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Nel, P. W.		
Experimentally-induced *Cestrum laevigatum* (Schlechtd.) poisoning in sheep. J. J. VAN DER LUGT, P. W. NEL and J. P. KITCHING	59	135–144
Nyeko, J. P.		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Oberholzer, G.		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Olivier, Roelina		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96
Otto, Q. T.		
An orf-like condition caused by trombiculid mites on sheep in South Africa. Q. T. OTTO and LEONORA C. JORDAAN	59	335–336
Peirce, M. A.		
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Sheniscidae. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	229–234
The Leucocytozoidae of South African birds: Passeriformes. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	235–247
Potgieter, F. T.		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Putterill, J. F.		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
Schultz, R. Anitra		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Smith, G. A.		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127

	Volume	Page
A light microscopical study of the intestinal tract of the Nile crocodile (*Crocodylus niloticus*, Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Smuts, Malie M. S.		
Deep dissections of the veins of the bovine head: unpublished work by Prof. J. M. W. le Roux (1926–1991). MALIE M. S. SMUTS and A. J. BEZUIDENHOUT	59	211–218
Spencer, J. A.		
Incidence of feline immunodeficiency virus reactive antobidies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Spickett, A. M.		
A survey of small stock tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	197–201
A survey of cattle tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	203–210
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Ssenyonga, G. S. Z.		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Swan, G. E.		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Thomson, G. R.		
No serological evidence for the presence of swine vesicular disease virus in South Africa. J. J. ESTERHUYSEN, G. R. THOMSON and M. D. GAINARU	59	223–224
Van Ark, H.		
Subsampling of large light trap catches of *Culicoides* (Diptera: Ceratopogonidae). H. VAN ARK and R. MEISWINKEL	59	183–189
Van Aswegen, G.		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
A light microscopical study of the intestinal tract of the Nile crocodile (*Crocodylus niloticus*, Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Van der Lugt, J. J.		
Experimentally-induced *Cestrum laevigatum* (Schlechtd.) poisoning in sheep. J. J. VAN DER LUGT, P. W. NEL and J. P. KITCHING	59	135–144
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Van der Merwe, N. J.		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crococdylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
A light microscopical study of the intestinal tract of the Nile crocodile (*Crocodylus niloticus*, Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Van der Walt, M. P. K.		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Van Dijk, A. A.		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Van Niekerk, Andrea		
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Van Rooyen, J. M.		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109

	Volume	Page
Van Strijp, M. F.		
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Van Wyngaardt, Sandra		
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Van Wyngaardt, W.		
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Verschoor, J. A.		
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Visagie, Elize J.		
A new species of *Lipoptena* (Diptera: Hippoboscidae) from southern Africa. ELIZE J. VISAGIE	59	293–302
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314

REPUBLIC OF SOUTH AFRICA

THE ONDERSTEPOORT JOURNAL OF VETERINARY RESEARCH

Volume 59 | 1992 | Numbers 1–4

SUBJECT INDEX

	Volume	Page
Abomasum		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Scanning electron microscopy of the mucosal surface of the forestomachs and abomasa of grey, white and black Karakul lambs. H. B. GROENEWALD	59	167–174
A comparative study of the thickness of the tunica muscularis in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	225–227
Aegyptianella botuliformis		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
African horsesickness		
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Albizia versicolor		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118
Amblyomma hebraeum		
Adult *Amblyomma hebraeum* burdens and heartwater endemic stability in cattle. J. L. DU PLESSIS, P. J. LOOCK and C. J. F. LÜDEMANN	59	75–89
Anaplasmataceae		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
Anaplasmosis		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Antibodies		
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Antigen		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Arthropod parasites		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Babesia trautmanni		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Birds		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLÉ, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	229–234
The Leucocytozoidae of South African birds: Passeriformes. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	235–247
Bluetongue		
Serological differentiation of five bluetongue virus serotypes in indirect ELISA. D. H. DU PLESSIS	59	119–122
Body water turnover rate		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96
Bontebok		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182

	Volume	Page
Burchell's zebra		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Caprimulgidae		
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLE and M. A. PEIRCE	59	229–234
Cardiac changes		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Cardiotoxicity		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Cattle		
Adult *Amblyomma hebraeum* burdens and heartwater endemic stability in cattle. J. L. DU PLESSIS, P. J. LOOCK and C. J. F. LÜDEMANN	59	75–89
A survey of cattle tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	203–210
Ceratopogonidae		
Afrotropical *Culicoides*: *C. (Avaritia) loxodontis* sp. nov., a new member of the Imicola group (Diptera: Ceratopogonidae) associated with the African elephant in the Kruger National Park, South Africa. R. MEISWINKEL	59	145–160
Subsampling of large light trap catches of *Culicoides* (Diptera: Ceratopogonidae). H. VAN ARK and R. MEISWINKEL	59	183–189
Cestrum laevigatum		
Experimentally-induced *Cestrum laevigatum* (Schiechtd.) poisoning in sheep. J. J. VAN DER LUGT, P. W. NEL and J. P. KITCHING	59	135–144
Columbidae		
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLE and M. A. PEIRCE	59	229–234
Copper chelators		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Cowdria ruminantium		
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Crocodile		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
A light microscopical study of the intestinal tract of the Nile crocodile, *Crocodylus niloticus*, (Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Crocodylus niloticus		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
A light microscopical study of the intestinal tract of the Nile crocodile, *Crocodylus niloticus* (Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Culicoides		
Afrotropical *Culicoides*: *C. (Avaritia) loxodontis* sp. nov., a new member of the Imicola group (Diptera: Ceratopogonidae) associated with the African elephant in the Kruger National Park, South Africa. R. MEISWINKEL	59	145–160
Subsampling of large light trap catches of *Culicoides* (Diptera: Ceratopogonidae). H. VAN ARK and R. MEISWINKEL	59	183–189
Damaliscus dorcas dorcas		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Diptera		
Afrotropical *Culicoides*: *C. (Avaritia) loxodontis* sp. nov., a new member of the Imicola group (Diptera: Ceratopogonidae) associated with the African elephant in the Kruger National Park, South Africa. R. MEISWINKEL	59	145–160
Subsampling of large light trap catches of *Culicoides* (Diptera: Ceratopogonidae). H. VAN ARK and R. MEISWINKEL	59	183–189
A new species of *Lipoptena* (Diptera: Hippoboscidae) from southern Africa. ELIZE J. VISAGIE	59	293–302
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314

	Volume	Page
Dissections of bovine head		
Deep dissections of the veins of the bovine head: unpublished work by Prof. J. M. W. le Roux (1926–1991). MALIE M. S. SMUTS and A. J. BEZUIDENHOUT	59	211–218
Dissections of veins		
Deep dissections of the veins of the bovine head: unpublished work by Prof. J. M. W. le Roux (1926–1991). MALIE M. S. SMUTS and A. J. BEZUIDENHOUT	59	211–218
DNA hybridization		
Characterization of ovine strains of *Mycobacterium paratuberculosis* restriction endonuclease analysis and DNA hybridization. G. W. DE LISLE, D. M. COLLINS and H. F. A. K. HUCHZERMEYER	59	163–165
D-penicillamine		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Drag-sampling		
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Ectoparasites		
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
Electrolyte excretion		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96
Elephant		
Afrotropical *Culicoides: C. (Avaritia) loxodontis* sp. nov., a new member of the Imicola group (Diptera: Ceratopogonidae) associated with the African elephant in the Kruger National Park, South Africa. R. MEISWINKEL	59	145–160
Endocrine cells		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
ELISA		
Serological differentiation of five bluetongue virus serotypes in indirect ELISA. D. H. DU PLESSIS	59	119–122
Feed intake		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96
Feline immunodeficiency virus		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DUK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Flow cytometric analysis		
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Forestomach		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Scanning electron microscopy of the mucosal surface of the forestomachs and abomasa of grey, white and black Karakul lambs. H. B. GROENEWALD	59	167–174
A comparative study of the thickness of the tunica muscularis in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	225–227
Frog		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Galenia africana		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Ganglia		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Gemsbok		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257

	Volume	Page
Giraffe		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Goats		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Grey rhebuck		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Gruidae		
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLE and M. A. PEIRCE	59	229–234
Guineafowl		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLE	59	97–101
Haematozoa		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLE, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
Hartmann's zebra		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and H[illegible]ap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Heartwater		
Adult *Amblyomma hebraeum* burdens and heartwater endemic stability in cattle. J. L. DU PLESSIS, P. J. LOOCK and C. J. F. LUDEMANN	59	75–89
Helminths		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Hepatic changes		
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Hippoboscidae		
A new species of *Lipoptena* (Diptera: Hippoboscidae) from southern Africa. ELIZE J. VISAGIE	59	293–302
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314
Histological study		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Host-parasite catalogue		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLE, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
Imicola group		
Afrotropical *Culicoides*: *C. (Avaritia) loxodontis* sp. nov., a new member of the Imicola group (Diptera: Ceratopogonidae) associated with the African elephant in the Kruger National Park, South Africa. R. MEISWINKEL	59	145–160
Intestinal tract		
A light microscopical study of the intestinal tract of the Nile crocodile (*Crocodylus niloticus*, Laurenti 1768). SANET H. KOTZE, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Ixodid ticks		
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Karakul lambs		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Scanning electron microscopy of the mucosal surface of the forestomachs and abomasa of grey, white and black Karakul lambs. H. B. GROENEWALD	59	167–174
A comparative study of the thickness of the tunica muscularis in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	225–227

	Volume	Page
Kudu		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
Leucocytozoidae		
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	229–234
The Leucocytozoidae of South African birds: Passeriformes. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	235–247
Light microscopical study		
A light microscopical study of the intestinal tract of the Nile crocodile (*Crocodylus niloticus*, Laurenti 1768). SANET H. KOTZÉ, N. J. VAN DER MERWE, G. VAN ASWEGEN and G. A. SMITH	59	249–252
Light trap catches		
Subsampling of large light trap catches of *Culicoides* (Diptera: Ceratopogonidae). H. VAN ARK and R. MEISWINKEL	59	183–189
Lions		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DUK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Lipoptena		
A new species of *Lipoptena* (Diptera: Hippoboscidae) from southern Africa. ELIZE J. VISAGIE	59	293–302
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314
Louse-fly		
The louse fly *Lipoptena paradoxa* Newstead, 1907 (Diptera: Hippoboscidae): description of its adult and puparium and biology in South Africa. ELIZE J. VISAGIE, I. G. HORAK and J. BOOMKER	59	303–314
Mice		
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Mites		
An orf-like condition caused by trombiculid mites on sheep in South Africa. Q. T. OTTO and LEONORA C. JORDAAN	59	335–336
Myobacterium paratuberculosis		
Characterization of ovine strains of *Mycobacterium paratuberculosis* restriction endonuclease analysis and DNA hybridization. G. W. DE LISLE, D. M. COLLINS and H. F. A. K. HUCHZERMEYER	59	163–165
Neurones		
A comparative histological study of the number and size of the myenteric ganglia and neurones in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	103–106
Numida meleagris		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
Orf-like condition		
An orf-like condition caused by trombiculid mites on sheep in South Africa. Q. T. OTTO and LEONORA C. JORDAAN	59	335–336
Parasites of domestic animals		
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
Parasites of wild animals		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and V. DE VOS	59	259–273
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
Parasitological evidence of Anaplasma infection		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA, I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Passeriformes		
The Leucocytozoidae of South African birds: Passeriformes. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	235–247

	Volume	Page
Pelea capreolus		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
Peptides		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
Phrynomerus bifasciatus		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Pigs		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Poisoning		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118
Experimentally-induced *Cestrum laevigatum* (Schlechtd.) poisoning in sheep. J. J. VAN DER LUGT, P. W. NEL and J. P. KITCHING	59	135–144
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
Pyridoxine hydrochloride		
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHANGE and G. L. ERASMUS	59	111–118
Recombinant FIV p24 antigen		
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G. BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Red blood cells		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Restriction endonuclease analysis		
Characterization of ovine strains of *Mycobacterium paratuberculosis* restriction endonuclease analysis and DNA hybridization. G. W. DE LISLE, D. M. COLLINS and H. F. A. K. HUCHZERMEYER	59	163–165
Rhipicephalus simus		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Rickettsiales		
Description of *Aegyptianella botuliformis* n. sp. (Rickettsiales: Anaplasmataceae) from the helmeted guineafowl, *Numida meleagris*. F. W. HUCHZERMEYER, I. G. HORAK, J. F. PUTTERILL and R. A. EARLÉ	59	97–101
Salt loading		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96
Scanning electron microscopy		
Scanning electron microscopy of the mucosal surface of the forestomachs and abomasa of grey, white and black Karakul lambs. H. B. GROENEWALD	59	167–174
Serological differentiation of bluetongue virus serotypes		
Serological differentiation of five bluetongue virus serotypes in indirect ELISA. D. H. DU PLESSIS	59	119–122
Serological evidence of Anaplasma infection		
Anaplasmosis in Uganda. III. Parasitological and serological evidence of *Anaplasma* infection in Ugandan goats. G. S. Z. SSENYONGA. I. KAKOMA, J. P. NYEKO, R. BUGA and R. HANSEN	59	161–162
Serological evidence of swine vesicular disease virus		
No serological evidence for the presence of swine vesicular disease virus in South Africa. J. J. ESTERHUYSEN, G. R. THOMSON and M. D. GAINARU	59	223–224
Serotonin		
Bioactive peptides and serotonin in the gut endocrine cells of the crocodile, *Crocodylus niloticus* (Laurenti 1768): an immunocytochemical study. G. VAN ASWEGEN, SANET H. KOTZÉ, N. J. VAN DER MERWE and G. A. SMITH	59	123–127
Sheep		
The effects of salt loading via two different routes on feed intake, body water turnover rate and electrolyte excretion in sheep. R. A. MEINTJES and ROELINA OLIVIER	59	91–96

	Volume	Page
Experimental *Albizia versicolor* poisoning in sheep and its successful treatment with pyridoxine hydrochloride. B. GUMMOW, STELLA S. BASTIANELLO, LEONIE LABUSCHAGNE and G. L. ERASMUS	59	111–118
Experimentally-induced *Cestrum laevigatum* (Schlechtd.) poisoning in sheep. J. J. VAN DER LUGT, P. W. NEL and J. P. KITCHING	59	135–144
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
Galenia africana L. poisoning in sheep and goats: hepatic and cardiac changes. J. J. VAN DER LUGT, R. ANITRA SCHULTZ, N. FOURIE, L. J. HON, P. JORDAAN and LEONIE LABUSCHAGNE	59	323–333
An orf-like condition caused by trombiculid mites on sheep in South Africa. Q. T. OTTO and LEONORA C. JORDAAN	59	335–336
Skin		
Cardiotoxicity of the skin of the red-banded rubber frog, *Phrynomerus bifasciatus* (Smith 1847). M. P. K. VAN DER WALT, J. M. VAN ROOYEN, G. OBERHOLZER and G. VAN ASWEGEN	59	107–109
Small stock		
A survey of small stock tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	197–201
Spheniscidae		
The Leucocytozoidae of South African birds: Caprimulgidae, Columbidae, Gruidae and Spheniscidae. G. F. BENNETT, R. A. EARLÉ and M. A. PEIRCE	59	229–234
Springbok		
Arthropod parasites of springbok, gemsbok, kudus, giraffes and Burchell's and Hartmann's zebras in the Etosha and Hardap Nature Reserves, Namibia. I. G. HORAK, M. ANTHONISSEN, R. C. KRECEK and J. BOOMKER	59	253–257
Sub-Saharan birds		
A host-parasite catalogue of the haematozoa of the sub-Saharan birds. G. F. BENNETT, R. A. EARLÉ, HESTER DU TOIT and F. W. HUCHZERMEYER	59	1–73
Swine vesicular disease		
No serological evidence for the presence of swine vesicular disease virus in South Africa. J. J. ESTERHUYSEN, G. R. THOMSON and M. D. GAINARU	59	223–224
T cell response		
Flow cytometric analysis of T cell response in mice infected with *Cowdria ruminantium*. J. L. DU PLESSIS, C. GRAY and M. F. VAN STRIJP	59	337–338
Tick control practices		
A survey of small stock tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	197–201
A survey of cattle tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	203–210
Ticks		
A survey of small stock tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	197–201
A survey of cattle tick control practices in the eastern Cape Province of South Africa. A. M. SPICKETT and B. H. FIVAZ	59	203–210
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G HORAK and L. J. FOURIE	59	275–283
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Transovarial transmission		
The transovarial transmission of *Babesia trautmanni* by *Rhipicephalus simus* to domestic pigs. D. T. DE WAAL, LAURA M. LOPEZ REBOLLAR and F. T. POTGIETER	59	219–221
Trientine		
Evaluation of the efficacy of d-penicillamine and trientine as copper chelators using an *in vitro* technique involving ovine red blood cells. C. J. BOTHA, T. W. NAUDÉ, G. E. SWAN and A. J. GUTHRIE	59	191–195
Tunica muscularis		
A comparative study of the thickness of the tunica muscularis in the forestomach and abomasum of grey, white and black Karakul lambs. H. B. GROENEWALD and K. K. BOOTH	59	225–227
Veins		
Deep dissections of the veins of the bovine head: unpublished work by Prof. J. M. W. le Roux (1926–1991). MALIE M. S. SMUTS and A. J. BEZUIDENHOUT	59	211–218
Veld-burning		
The effect of veld-burning on the seasonal abundance of free-living ixodid ticks as determined by drag-sampling. A. M. SPICKETT, I. G. HORAK, ANDREA VAN NIEKERK and L. E. O. BRAACK	59	285–292
Virus		
Serological differentiation of five bluetongue virus serotypes in indirect ELISA. D. H. DU PLESSIS	59	119–122

	Volume	Page
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
No serological evidence for the presence of swine vesicular disease virus in South Africa. J. J. ESTERHUYSEN, G. R. THOMSON and M. D. GAINARU	59	223–224
Incidence of feline immunodeficiency virus reactive antibodies in free-ranging lions of the Kruger National Park and the Etosha National Park in southern Africa detected by recombinant FIV p24 antigen. J. A. SPENCER, A. A. VAN DIJK, M. C. HORZINEK, H. F. EGBERINK, R. G., BENGIS, D. F. KEET, S. MORIKAWA and D. H. L. BISHOP	59	315–322
Virus serotype		
Serological differentiation of five bluetongue virus serotypes in indirect ELISA. D. H. DU PLESSIS	59	119–122
Production and properties of monoclonal antibodies against African horsesickness virus, serotype 3. W. VAN WYNGAARDT, D. H. DU PLESSIS, SANDRA VAN WYNGAARDT and J. A. VERSCHOOR	59	129–133
Wild animals		
Parasites of domestic and wild animals in South Africa. XXX. Ectoparasites of kudus in the eastern Transvaal Lowveld and the eastern Cape Province. I. G. HORAK, J. BOOMKER, A. M. SPICKETT and J. DE VOS	59	259–273
Parasites of domestic and wild animals in South Africa. XXXI. Adult ixodid ticks on sheep in the Cape Province and in the Orange Free State. I. G. HORAK and L. J. FOURIE	59	275–283
Wildlife		
Parasites of South African wildlife. XIII. Helminths of grey rhebuck, *Pelea capreolus*, and of bontebok, *Damaliscus dorcas dorcas*, in the Bontebok National Park. J. BOOMKER and I. G. HORAK	59	175–182
